Purchase a bone as a memorial for your four-legged friend, to honor your faithful companion, champion show dog, child's best friend, or your four-legged hunting partner while helping support the construction of an off leash recreation area in Wenatchee.

PROJECT BACKGROUND

The public involvement process that created the 2006 Park, Recreation and Open Space Plan identified the need to establish a committee for the investigation of the creation of an off leash recreation area.

An online petition to support an off leash recreation area was created by an interested citizen. 565 people signed the petition. An additional 121 people signed hard copy surveys.

Following a 2009 Wenatchee World article, 31 people contacted the City about their interest in an off leash recreation area.

A series of Off Leash Recreation Area Committee meetings were held to examine the potential for an off leash recreation area. Meetings were held monthly beginning November 2009. Progress on the work of the committee and the topic of an off leash area were also discussed at eight Parks and Recreation Advisory Board meetings beginning in September 2009.

These meetings culminated in the preparation of the Wenatchee Dog Off Leash Area Potential Study. The study was approved by the City Council in May 2010. A copy may be found on the Parks and Recreation Department portion of the City website.

Fundraising to construct the off leash area is currently underway by the City of Wenatchee through programs like the "Give Your Dog a Bone Program."

Wenatchee Valley FIDO is also working to establish improved off leash opportunities. Visit FIDO at: wenatcheefido.org for more information.

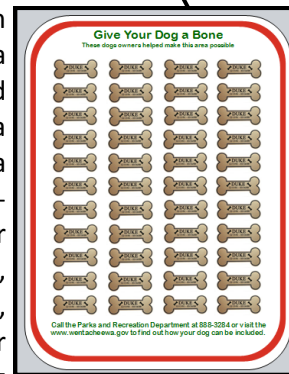

GIVE YOUR DOG A BONE PROGRAM

We are currently accepting orders for the "Give Your Dog a Bone" Program.

Off leash area entry and sign sample

Through this program you can purchase a "bone" that will affixed to the off leash area entrance sign as a memorial for your four-legged friend, to honor your faithful companion, champion show dog, child's best friend, or your four-legged hunting partner.

Bones are \$25 each.

All proceeds from the sale go toward the construction of the off leash area.

YES! I want to give my dog a bone
